Eligible family members include spouse and dependent children up to the age 23. All QDP Membership fees are due and payable at the time of registration and are non-refundable. Plan duration is for one year from registration date. All patient portions for services received are due at time of services in order to receive benefits. All members of a QDP family account will have the same anniversary date as the primary member. A 6 month interest-free payment plan through Care Credit is available on request with approved credit. When a payment plan is used, your QDP Member Savings will be 5% upfront and you use the remaining 10% to receive interest free payment options. A missed appointment fee of 25% of treatment total will be charged for all missed dental appointments. To avoid a missed appointment fee, please notify our office at least two business days in advance if you must change a scheduled appointment.

*** Simple cleaning involves patients without periodontal disease. Most routine 6 month cleanings are simple cleanings. Patients diagnosed by our office or another office with deep periodontal pockets greater than 3mm or heavy visible calculus would not be considered a simple cleaning. This will be determined after your comprehensive exam appointment with our office.**

**** Annual QDP membership fee is subject to change.**
